

We have been farming our land since 1943, blending our northern Italian heritage with our California roots.

Our family chose the lion from St. Mark's Cathedral in Venice, Italy to symbolize our rich history. Today, we continue this tradition by offering Estate wines for you and your family to enjoy.

TASTING NOTES:

Our Uber Zinfandel is a combination of fruit from younger, head-trained vines from a block planted in an old-world style, combined with more traditionally farmed blocks. Where old world winemaking joins new world techniques. The result is a wine that has both depth and luscious fruit flavors. Aromas of vanilla, berry and cherry fruit, and spice are followed by nice bright fruit in the front, pepper in the middle and a fruit finish.
