FAMILY VINEYARDS

“White peach...cantaloupe...

Spiced tropical fruit...caramel & melon”

We have been farming our land since 1943, blending our northern Italian heritage with our California roots.

Our family chose the lion from St. Mark's Cathedral in Venice, Italy to symbolize our rich history. Today, we continue this tradition by offering Estate wines for you and your family to enjoy.

TASTING NOTES:

White peach and cantaloupe flavors express our unique vineyard site where our French clone Chardonnay is grown. These aromas are followed by notes of caramel with sweet spiced tropical fruit and a long melon finish. A lush mouth feel, cradled in soft, elegant oak, barrel fermented and sur lie aged to enhance the richness that is our 2018 Estate Reserve Chardonnay.
